

Individual Tax Residency Self-Certification Form for FATCA and CRS Purposes

- This form is intended for an individual¹ (including a payee in an account for the benefit of another and a controlling person in an entity). For an entity,² fill out an Entity Self-Certification Form.
- You may be requested by the Financial Institution to also fill out Form W-8/W-9.
- This form is designed to determine whether the account holder or a controlling person of a passive entity account holder, as the case may be, is a U.S. person and/or resident in a foreign country. If the account holder or controlling person as aforesaid is a U.S. person and/or resident in a foreign country and such foreign country is a reportable jurisdiction, information on such account holder or controlling person shall be transferred to the U.S. and/or to such foreign country.
- Please note - the Financial Institution is not permitted to advise on tax matters in Israel and/or elsewhere, nor is it permitted to opine with respect to the implications of the answers given to any question or declaration on this form. If you have questions pertaining to filling out this form, including with respect to the determination of your tax residency status, or any matter which may have an effect on the information included herein, consult with a tax advisor or with your local tax authority.
